

It is agreed that students transferring from Portland Community College's (PCC) Associates of Applied Science in Building Construction Technology program to Oregon Institute of Technology's (OIT) Bachelor of Science in Operations Management program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both PCC and OIT, and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated July 18, 2007.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at OIT must complete 45 credits from OIT before a degree will be awarded.

Transfer students may guarantee their catalog of graduation by obtaining written approval from their OIT major department and the Registrar. The agreed upon catalog will be the one a student uses when he/she transfers to OIT. Students must enroll at OIT within three years of this approval.

#### **PCC Degree Required Courses & OIT Equivalent Credits**

<b>Portland Community College Course Number &amp; Title</b>	<b>Qtr Units</b>	<b>Oregon Institute of Technology Course Number &amp; Title</b>	<b>Qtr Units</b>
ARCH 110 Introduction to Architectural Drawing	2	Elective	2
ARCH 132 Residential Building Codes	2	Elective	2
BCT 101 Construction Surveying	3	Elective	3
BCT 102 Residential Printreading	3	Elective	3

		<b>Total Additional Credits</b>	<b>63</b>
		<b>Total Accumulated Credits</b>	<b>218</b>

1. OIT only accepts 3 performance/studio based humanities credits towards the 9 credit total requirement.
2. All PCC degree-related credits will be accepted by OIT. However, not all credits can be applied toward the Operations Management degree requirements of 182 total credits. A maximum of 42 Elective Credits, 15 Math/Science/Social Science Elective Credits, 4 Lab Science Elective Credits, and 9 Humanities Elective Credits can be used to satisfy the OM degree.
