# Dental Hygiene

## Klamath Falls
**Bachelor’s Degree**
- On Oregon Tech's home campus
- Optional participation in 2-week International Externship Program
- Preparation for endorsement in restorative care
- Bachelor's degree provides foundation for future career options such as educator, researcher, program and practice administrator

## Salem
**Bachelor’s Degree**
- Take your general education courses at Chemeketa
- Take your dental hygiene courses from Oregon Tech on the Chemeketa campus
- Learn in a state-of-the-art clinic on the Chemeketa Community College campus
- Earn a bachelor's degree from Oregon Tech

## La Grande
**Associate’s Degree**
- Near the Eastern Oregon University campus in La Grande at the ODS College of Dental Sciences Building
- Start your program in September and finish 18 months later
- Continue toward your bachelor's degree in dental hygiene through Oregon Tech's online degree completion program

### All programs offer:
- Extensive clinical experience in your campus clinic
- Opportunity for off-campus clinical rotations
- Involvement in planning and managing community oral health programs

### Your Career Path into the Dental Hygiene Profession
1. Take pre-dental hygiene courses at your community college or state university
2. Apply for admission to Oregon Tech
3. Apply to the Dental Hygiene Department for admission into any of three locations
4. Graduate from Oregon Tech with an associate or bachelor's degree
5. Successfully complete your board exams and become licensed as a Registered Dental Hygienist

*Apply by April 15 for September entrance into the sophomore year.*
