DAYDREAMER Film Camp

Film Production
 Ages: Grades 5-12
 Goals: Student will participate in activities that encourage creativity, ability to follow instructions, hand-eye coordination, problem solving, critical thinking and communication skills. Students will walk away with a greater understanding of editing software and techniques as well as the behind scenes activities that take place during film production.

Camp Tuition and Fees:
 \$250* for one camper
 \$225* for each additional camper
**Each camp requires a \$25 non-refundable registration fee due at the time of application.*

Family and Friends
 Marvel at the creativity as they display their finished masterpiece
 August 19, 7-9 p.m., OIT College Union Auditorium

Camp Dates:
 August 15-19, 9 a.m.—5 p.m.

AMAZING games

Game Design Camp
 Ages: Grades 7-12
 Goals: Students will gain an understanding of a computer programming language. They will also enhance personal creativity through game design, following instructions, hand-eye coordination, communication skills, problem-solving and critical thinking skills. Using Game Maker software, they will create characters, objects and outcomes in their games, then increase the difficulty levels.

Camp Tuition and Fees:
 \$250* for one camper
 \$225* for each additional camper
**Each camp requires a \$25 non-refundable registration fee due at the time of application.*

Family and Friends
 Marvel at the creativity as they display their finished masterpiece
 July 22, 1-3 p.m., OIT Purvine 208 Auditorium

Camp Dates:
 July 18-22, 9 a.m.—4 p.m.
