

**CGCC/OIT 2+2 PROGRAM TRANSFER GUIDE**  
**ELECTRONICS ENGINEERING TECHNOLOGY**  
**Location: Portland Campus**

Students interested in transferring to Oregon Institute of Technology may start their studies at Columbia Gorge Community College (CGCC). Upon completion of their AAS degree in RET, students can transfer to OIT and in two more years complete the BS degree in Electronics Engineering Technology. Students interested in this option are recommended to meet an OIT advisor after their first year of study at CGCC. Below is a summary of how AAS courses transfer to OIT.

PCC (EET) Requirements			OIT Courses		
Course	Title	Cr.	Course	Title	Cr.
<b>Electronics Courses</b>					
EET111	Electrical Circuit Anal. I	5	EET217	Electric Circuits I	4
EET112	Electrical Circuit Anal. II	5	EET218	Electric Circuits II	4
EET113	Electrical Circuit Anal. III	5			
EET121	Digital Systems I	3	EET215	Digital Circuits I	4
EET122	Digital Systems II	3	EET216	Digital Circuits II	4
EET123	Digital Systems III	5

<b>Humanities/Social Sciences</b>					
	8 credits required for AAS degree. Additional CGCC humanities and social science credits can be transferred to meet OIT's general ed. requirements for BSEET.			Humanities <sup>3</sup> Social Sciences <sup>3</sup> Elective <sup>3</sup>	9 12 3

<sup>1</sup> Recommended: EET222, EET255, RET119, RET223. Other EET or RET courses can be used with OIT advisor's approval.

<sup>2</sup> Not required for AAS degree, but recommended for 2+2 transferability.

<sup>3</sup> Total number of humanities/social science credits required for BSEET degree at OIT. Credits taken at CGCC can be transferred on a 1:1 scale. See OIT's humanities and social sciences guide or contact an OIT academic advisor for details and restrictions.

## SAMPLE CGCC/OIT 2+2 SCHEDULE

Below is a sample schedule to complete the 2+2 CGCC/OIT transfer program obtaining the AAS RET degree from CGCC after 2 years and the BSEET degree from OIT after 4 years.
