General & Executive Meeting Minutes

General Meetings are from 12:00pm - 1:00pm every other Thursday in room 120. Student Organizations are required to attend one General Meeting per month.

Executive Meetings are held by the student body government and are not accessible to the public. However, the meeting minutes will be posted below as available.

Meeting Minutes older than this school year may be available by request.

Appropriations Committee Request For Proposals

Purpose

The Appropriations Committee (AC) at Oregon Tech Portland-Metro is issuing this Request For Proposal (RFP) seeking out qualified projects that will enhance the quality of students life on the Portland-Metro Campus. If you have a great idea for a project, please fill out the attached application. These projects should be in the order of \$2000 dollars or larger and no greater than \$50,000 dollars.

Background Information

The AC is a student led committee that was formed in 2016. The formation of the committee grew out of the need to deal with excess funds from student fees that have built up over the past few years. Every time these funds reach \$50000 or more the AC will put out an RFP to the student body. The AC feels that the best way to use these funds is to reinvest them back into students. We are especially interested in student led projects that will increase the overall quality of the student experience on campus. The more students that the project affects the better.

What the AC Project Grant is Not

The AC project grants are not intended to be used for personal projects, senior capstone projects, graduate projects, travel funding, conference funding or additional club funding as funding sources for all these items already exists. However if there is a senior project that truly affects a large amount of students and falls within the guidelines of the AC proposal then it will be considered.

Proposal Submission

1. [Here](#) is where you can find the project submission form that will give you a chance to describe your project as well a list associated costs
2. Proposals **Must be submitted to PM-ASOIT OR Iona Musgnung via email.**
3. Questions can be submitted to PM-ASOIT at PM-ASOIT@groups.oit.edu OR to Iona Musgnung at Iona.Musgnung@oit.edu and will be answered in the order they are received.
4. Consolidated Proposals will not be reviewed.

Timeline for Submission

- Deadline for submissions is the second week of each term.
- Notice on proposal status is usually given within a week, unless there is a need for more information or concerns about the proposal.
