Seven-Year Cycle Breakdown

March 1, 2011	Standard 1 report due Report on Mission Statement, Core Themes, Goals, and Outcomes. Expectations are established and we must identify how we will meet those expectations. This will set the stage for everything that happens in this seven-year cycle.
March 1, 2013	Standard 2 report due; site visit in Spring 2013 Report will focus on resources and capacity. Report must address DH issues expressed in NWCCU letter of 6-28-2011. Visit will focus on verification that we can achieve expectations.
March 1, 2014	Standard 3 and Standard 4 reports due Standard 3 – Planning and Implementation Standard 4 – Effectiveness and Improvement (assessment)
March 1, 2016	Final Report due; site visit April 4-6, 2016 Mission fulfillment, sustainability, adaptation
2017	Seven-year cycle starts over; establishing a continuous process
