

# OREGON INSTITUTE OF TECHNOLOGY

## Technical Education Delivery System

OIT-30-015

---

Oregon Institute of Technology is committed to offering educational programs consistent with its mission to both on-campus and outreach sites throughout Oregon, using conventional and non-traditional delivery systems. This involves exporting OIT courses via Ed-Net, teleconferencing and other appropriate technologies, as well as linking OIT (including the Portland Operations) with statewide resources.

Recommended by:

Faculty Senate – 5/7/92  
President's Council – 5/18/92
