

IN AN EMERGENCY

In An Emergency Call

9-1-1 or University Campus Public Safety – 541-885-0911

If it is a **Medical Emergency** - Look for medical ID on patient.

FIRE

Activate nearest fire alarm if not already sounding.

Evacuate – proceed to nearest parking lot away from the building.
Do not use the elevator. If safe to do so, help others to evacuate.

Call 9-1-1 – Not all building fire alarms alert authorities.

Do NOT attempt to fight any fire larger than trash can size – pull the alarm and evacuate.

Threat of Person with Weapon/Active Shooter

Run – Hide – Fight

DO NOT PULL FIRE ALARMS.

Try to evacuate the building and seek refuge in a known safe area.

If you cannot evacuate, go to nearest room and **lock/barricade doors.** **Call 9-1-1**

Silence cell phones but keep them on. OIT-Alerts may come through with updates. If you are given an all clear by someone outside, you can call 9-1-1 to verify.

Find something – fire extinguisher, chair – to fight with. An attacker is not expecting resistance.

Bomb Threat

DO NOT touch. DO NOT pull fire alarms.

Call 9-1-1 or 541-885-0911. **DO NOT** use cell phones near device.

Earthquake

Find shelter under table or desk – **DO NOT** stand in doorways. Avoid the elevator.

Keep away from windows, bookshelves and heavy objects that might fall.

Hazardous Materials Spill

Do Not Touch!

Immediately contact Campus Public Safety at 541-885-0911.

Evacuate the room.
