1. Definitions
As used herein, the term
a. “Resident” means a student who has been assigned a space in Housing at Oregon Tech. This includes any Oregon Tech student, staff or faculty who lives in University owned campus housing. All residents are bound by this document and the Student Housing Handbook.
b. “Housing Office” refers to the Office of Housing and Residence Life at Oregon Tech.
c. “Deposit” means the $150-$50 of which is a non-refundable application fee- incident to procurement of housing, or whatever part of the refundable portion may remain after deductions are made therefrom.
d. “Academic year” means the period from the day Housing opens for the Fall term through the Halls closing the last day of Spring term.
e. “Occupancy” means acceptance of the assigned space by officially checking into Housing following a prescribed process and accepting the keys to the assigned room.
f. “Contract” refers to the Housing and Residence Life’s Contract Terms and Conditions.
g. “University” and “Oregon Tech” refer to Oregon Institute of Technology.
h. “Application date” refers to the date the completed application and deposit are received by the Housing Office from a student admitted to Oregon Tech through Admissions.

2. Duration of Contract
This Contract is for a period of one academic year starting Fall term, or the remaining portion thereof, unless terminated by the University at its discretion as provided herein. Termination of occupancy by the Resident prior to the end of the academic year will result in substantial financial consequences. Housing during the Summer term is also available, with a separate Summer term contract application open in at the beginning Spring term.

3. Eligibility for Housing
Housing is provided for full time Oregon Tech undergraduate students enrolled in 12 or more credits, and graduate students enrolled in 9 or more credits during each academic term for the duration of this Contract. Residents may drop below the minimum credit expectation during the academic year with approval from the Director of Housing and Residence Life on a term-by-term basis. All residents living in on-campus housing must be enrolled at Oregon Tech as a student each term of the current academic year housing contract. If a resident is no longer enrolled at Oregon Tech, eligibility to live on campus is revoked, and the resident must vacate on-campus housing within 72 hours of dropping all credits or no longer being enrolled in classes at Oregon Tech. Housing and Residence Life does not offer month-to-month, term, or temporary housing.

4. Contract Type
This Contract is for a bed space in one of the Housing facilities. This Contract is not transferable or assignable to another person. This Contract is for a space within a Housing facility, not for a specific room or type of housing. By signing this Contract, you agree to accept your room as assigned by Oregon Tech Housing and Residence Life according to your assignment letter and understand this assignment may change.

5. Meal Plan
All Residents must contract for a Meal Plan (see the Meal Plan Contract/Terms and Conditions). Breaking the housing contract during the academic year when moving off campus but continuing as an Oregon Tech student does not cancel the meal plan contract. For more information or inquiry about the meal plan, please email housing@oit.edu. If the housing contract is cancelled before the resident takes occupancy, the meal plan is also cancelled. To appeal any other portion of the meal plan contract, contact the Housing Office to request the meal plan appeal form.

6. Application
Before an application for housing is processed, the applicant must be an admitted Oregon Tech student or admitted to the OHSU School of Nursing. Furthermore, the applicant must bind themselves to these Terms and Conditions by completing, signing electronically, and submitting the required form(s) accompanied by a $150 housing deposit, of which $50 is a non-refundable application fee. Financial aid awards cannot be used to pay

10. Lost or Abandoned Property
2024-2025 Housing and Dining Contracts

the $150 deposit. An applicant under 18 years of age must have the Contract application signed by a parent or legal guardian, using the Parent/Guardian Signature form found within the housing application.

7. Housing Schedule and Check in
   a. Opening and Closing of Housing and Meal Services
   The opening and closing dates for Housing and Residence Life can be found at www.oit.edu/housing as well as on the first page of this contract. The opening date is the first day your University assigned space is available to you and the closing date is the last day. Meal services begin the Sunday before classes begin each term, and the last meal service is brunch on the closing day. Dining is not open during any University break periods. Additional details about the meal plan can be found in the meal plan contract at www.oit.edu/housing.
   Residents may not be on-campus housing facilities after the halls close at each break without prior permission approved through the Housing Office.
   b. Check-In
   Each resident must complete the Check-In process prior to residing in their assigned room. The Check-In process begins with arrival on campus, obtaining keys from Housing and Residence Life staff and serves as notification to Housing staff you are taking occupancy of your assigned room.
   c. Arrival Dates
   Information regarding check in dates for each academic term are shared via email to your oit.edu address. All residents are expected to check in and move in on or after the date of Check In.
   d. Pre-contract Arrivals:
   If a resident is required by a University department to attend a specific university program prior to the Check-In date for fall term, the Resident must complete an early arrival housing application to request an early arrival. Early Check-In for winter or spring terms is extremely limited. Early Check-In daily charges will be applied based on the date of Check-In prior to the opening date on a prorated basis, or Resident will be charged the early arrival weekly rate, whichever is most cost effective for the Resident.

8. Building and Room Assignments
   e. On-campus room assignments are made without regard to race, religion, or national origin.
   f. Assignment to a Housing facility and occupancy therein are contingent upon final acceptance for admission, payment of the housing deposit, full-time enrollment (12 or more Oregon Tech credits) in classes, completed meal plan application, and availability of space. The assignment may also be based on previous behavior or conduct issues.
   g. The Housing Office makes every effort to assign the Resident in accordance with their roommate or room-type preference (double room or an apartment space). While every reasonable effort is made, Oregon Tech Housing and Residence Life cannot guarantee meeting all requests or guarantee compatible roommates. Housing and Residence Life also makes every effort to honor the room choice made by incoming residents who chose a space through the Room Lottery process but reserves the right to make changes for administrative or emergency needs.
   h. Only the assigned Resident may officially check in and occupy the assigned space.
   i. Residents in a double room without a roommate must keep the room ready for a roommate to move in at any time or face disciplinary actions and fines. Definition of a room ready to accept a roommate includes one open bed, with a desk, drawers, wardrobe, and bookshelf free of personal items.
   j. Oregon Tech Housing and Residence Life reserves the right to make or change room assignments at any time based on administrative needs—even if the Resident chose this space during the Room Lottery process. This includes but is not limited to reasons including the need to consolidate space or due to sanctions because of conduct or contract violations. Residents may be required to move to another room/apartment to consolidate unassigned space.
   k. Refusal of a Roommate: If there is a vacancy during this Contract, refusal (including but not limited to verbal, behavioral, or other means of rejection) of a roommate or unwillingness to work with Housing and Residence Life staff in finding/accepting a roommate will result in disciplinary action. Refusal of a roommate may also result in a new living assignment (to another hall/room).
   l. Residents are prohibited from moving rooms without the approval of the Housing Office in accordance with the room change policy (as outlined in the Student Housing Handbook found at www.oit.edu/housing). Residents who change rooms without Housing Office authorization face disciplinary actions, financial penalties, and may be required to return to their originally assigned space.
   m. Residents returning to on-campus housing for an additional contract year are given preference of their assignment and are eligible to contract and choose their desired room during spring term. The $50
2024-2025 Housing and Dining Contracts

application fee is not required if Resident is currently occupying a room in on-campus housing, and the $100 refundable deposit is forwarded to the next contract period. The $250 confirmation payment must be paid per Point 13c each year a student lives in on-campus housing. Applications to live on campus for the next academic year are available in January.

n. Room selection and assignment for all applicants will be made available in order of the application acceptance date. Applications for all Residents received by May 1 will be guaranteed a space in on-campus housing.

o. Living in a Village apartment alone is not an option. If a resident finds they are the only occupant in an apartment, the resident will be subject to the consolidation process per point 7f. When a vacancy occurs in any space, the Housing Office will reach out to Resident(s) on the appropriate waiting list to fill the space.

p. Gender inclusive housing (housing to meet the needs of those wishing to live in an inclusive space) may be available on a case-by-case basis. For more information, please fill out the Gender Inclusive Housing request form at www.oit.erezlife.com.

q. All rooms are inspected for health and safety standards on a regular basis (at least one time per term). If a space does not meet health and safety standards, the Resident(s) is given 3 days to bring the space up to the prescribed standards. If the issues are not addressed after a second inspection, Housing staff will remedy the issue(s) and the Resident(s) will be charged for time and supplies to bring space up to published standards. Additionally, University personnel will check all rooms during Winter Break and Spring Break (term breaks) to clean unoccupied bed spaces and to ensure vacant spaces are ready to accept a new roommate(s). If a vacant bed space is not ready: defined as an open bed, with a desk, drawers, wardrobe, and bookshelf free of any personal items, the occupying Resident(s) will be charged a fee for the space to be prepared for an incoming Resident(s).

r. As a part of the checkout process, Residents are responsible for returning all Housing issued keys including the room key, prox card, and any other keys issued through Housing and Residence Life. A final inventory of the bed space and any applicable common area spaces will be conducted by a member of the Residence Life staff. The room must be clean and empty of all personal belongings before the checkout process can begin. Failure to follow or complete the checkout process will result in an improper checkout charge as well as other charges from any damages. Please see the Student Housing Handbook at www.oit.edu/housing for additional information on the check-out process.

s. Residents evicted for conduct prescribed by Oregon Tech, the Oregon Tech Board, and/or this document, or who are evicted for nonpayment of institutional charges, will be responsible for full room and board charges for the remainder of the current term with an additional per term charge for the remaining term(s).

9. Occupancy Requirement or Forfeiture
Except as indicated in this paragraph, assignments will be held until 5:00 pm the day prior to the start of classes each term. Individuals unable to officially check in and take occupancy before this deadline must notify the Housing Office at housing@oit.edu and provide their delayed check-in date. Failure to take occupancy by the deadline or the delayed date may result in cancellation of the room assignment and forfeiture of the entire deposit and confirmation payment (if failure to take occupancy is fall term).

10. Cancellation of the Contract
By contracting to live on campus at Oregon Tech, Resident agrees to reside in on-campus housing from the date of their check in through the end of the Spring term June 14, 2025. This is the full term of the housing contract.

a. Before Check-In, applicants may cancel their Contract by submitting the Contract Cancellation Form, available at www.oit.erezlife.com. The refundable portion of the deposit will be credited back to the student account if the Cancellation Form is received in the Housing Office by August 15, 2024.

b. After Check-In, termination of the Housing Contract occurs when the resident checks out of their assigned space and completes all appropriate steps found in the Student Housing Handbook. Residents may only be released from the Contract with limited financial penalties for breaking this academic year contract for the reasons below:
   i. Resident withdraws from Oregon Tech or is dismissed from the University for academic reasons during this Contract period, unless the withdrawal is the result of a disciplinary action.
2024-2025 Housing and Dining Contracts

ii. Resident provides proof of marriage, domestic partnership, or parenting as reason to break the housing contract.

iii. Resident is in a program of study at Oregon Tech which necessitates residence outside of Klamath Falls. This includes Residents transferring to the Oregon Tech Portland Metro campus, or participation in an internship program (i.e., CECOP/MECOP).

iv. Resident completes their academic program, graduating from Oregon Tech. In this case, the housing deposit is refundable.

v. Resident experiences significant and unforeseeable hardships outside of Resident’s reasonable control.

For any of the above reasons, Resident must submit a housing appeal within 30 days of check out for financial consequences related to check out to be reviewed and potentially reduced at www.oit.erezlife.com.

If the Resident is under 18 years of age and requesting release from the Contract, the request must be accompanied by written consent from a parent or legal guardian through www.oit.erezlife.com.

c. Withdrawing from Oregon Tech

If the Resident withdraws from Oregon Tech, the Resident must complete their Check-Out within 72 hours of withdrawing.

11. CHECK OUT

Residents must complete the Check-Out process prior to leaving their Room and on-campus housing. This includes but is not limited to, Check-Out upon change of Room, cancellation of this contract by the student or termination by Housing and Residence Life. Information about standard Check-Out dates for each academic term can be found at www.oit.edu/housing as well as within this contract.

b. Failure to Check Out

Housing and Residence Life will charge the Resident full Room and meal plan rates until Check-Out procedures are completed. If a Resident fails to complete the Check-Out process in the Student Housing Handbook, Housing and Residence Life may charge additional fees to change the Room lock and for improper Check-Out.

c. Mailing Address

Residents must provide a current mailing address to Housing and Residence Life until all liabilities and claims are paid.

d. Abandoned Property

Any personal property left behind after Check-Out are deemed abandoned, and the University is entitled to dispose of it in an appropriate manner.

Per the electronic signature on this housing contract, Resident agrees that a housing assignment obligates Resident to pay in full for such accommodations, whether occupied or not, throughout the remainder of the academic year, except as otherwise permitted in this Contract. Payment needs to be made on or before the due date posted on the Academic Calendar. At the discretion of the Director of Housing and Residence Life, the requirement of payment as set forth above may be waived or modified under the following circumstances:

a. Cancellation of application prior to taking occupancy or failure to take occupancy by the required date as stated above (Point 9) will result in termination of the Contract.

An additional 20% of the total current term’s housing rate will be charged for each additional calendar week or partial week of occupancy beyond the third full calendar week from the date of Housing opening. After the fifth week of occupancy, no housing charges will be refunded. The refundable portion of the housing deposit is forfeited.

The refundable portion of the housing deposit is forfeited. If Resident checks out after the end of fall or winter term Housing closing (December 13, 2024 for fall term and March 21, 2025 for spring term), but continues enrollment at Oregon Tech, full term housing charges are incurred for the next term. Resident must vacate an on-campus assigned space prior to the published closing dates or is considered to have taken occupancy for the following term and is therefore responsible for full housing fees for that term.

g. Rate and Fee Adjustment

The University Board of Trustees annually approve housing and Residence Life rate and fees. If your housing application and deposit is submitted prior to the Board of Trustees' annual approval, your housing rates and fees are subject to change based on the rates and fees approved by the Board of Trustees.

12. Appeal of Financial Consequences

Exceptions to this Housing Contract may be requested by completing the appeal form at www.oit.erezlife.com. Appeals are reviewed on a case-by-case basis. Submit appeals of any of the Terms or Conditions of this Housing Contract through the Housing Appeal form found at www.oit.erezlife.com. Appeals must be received through the online appeal form within 30 calendar days from the date of check out. The remaining balance due for fall term housing charges will be charged to Resident’s University account and will be payable according to the University’s payment requirements (refer to the Business Office).
