Who We Are

The College of Engineering, Technology, and Management (ETM) at Oregon Tech is a vibrant and diverse college offering a wide range of programs, from various engineering disciplines to technology, computing, cybersecurity, IT, and management. With locations at the Klamath Falls main campus, Portland-Metro (Wilsonville) campus, and Seattle-Boeing campus, along with comprehensive online offerings, ETM ensures accessibility and flexibility for students.

Undergraduate programs hold prestigious accreditations from Accreditation Board for Engineering and Technology (ABET) or International Accreditation Council for Business Education (IACBE), reflecting our commitment to academic excellence. We prioritize small class sizes and hands-on learning experiences in cutting-edge laboratories and classrooms. Our faculty are deeply dedicated to providing exceptional education, bringing a wealth of industry experience and expertise to the classroom.

Students find a supportive environment where they can thrive, learn, and achieve their goals. It's a place where ambition meets opportunity, and future leaders are made.
