

**Clackamas Community College
to
Oregon Institute of Technology
Bachelor of Applied Science in Technology and Management**

**Articulation Agreement
2025 - 2026 Catalog**

It is agreed that students transferring with an Associate of Applied Science (AAS) from Clackamas Community College (CCC) to Oregon Institute of Technology's (Oregon Tech) Bachelor of Applied Science in Technology and Management (BTM) will be given full credit for up to 60 credits of Career Technical Electives and additional listed courses as completed. Additional courses listed below may not be a part of the AAS degree, but can be taken at Clackamas CC and count toward the Oregon Tech degree. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both CCC and Oregon Tech and is subject to a reevaluation every year by both schools for continuance. This agreement is November 5th, 2025.

Bachelor degree-seeking students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Bachelor degree-seeking students that transfer to Oregon Tech with 300-400 level transferable courses must complete at least 45 additional credits with Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. To utilize this agreement students must be attending CCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

The following degree programs are approved for this articulation:

AAS in Accounting
AAS in Administrative Professional
AAS in Automotive Service Technology
AAS in Computer-Aided Manufacturing
AAS in Computer & Network Administration
AAS in Criminal Justice, Corrections Option
AAS in Digital Media Communications
AAS in Electronics Engineering Technology
AAS in Microelectronics Systems Technology
AAS in Renewable Energy Technology
AAS in Full-Stack Web Development
AAS in Welding Technology

Additional Oregon Tech Credits ⁶	63
Total Oregon Tech Degree Credits ⁷	183

1. Students can transfer up to six (6) credit hours of Humanities electives into the BTM; these courses should be designated as Humanities electives by Oregon Tech. However, only three (3) humanities credits can be studio/performance based. Choose from the following Clackamas prefixes: ART, ENG, HUM, MUS, PHL, R, or TA.
2. The BTM requires one (1) biological or physical sciences course with lab. Choose from the following Clackamas prefixes: BI, CH, G, PH, or Z.
3. Students can transfer up to four (4) credit hours of Math/Science electives into the BTM; these courses should be designated as Math/Science electives by Oregon Tech. Choose from the following Clackamas prefixes: BI, CH, ESR, G, MTH, PH, or Z.
4. To maximize useable credits toward the BTM, the listed course is recommended for the chosen AAS program.
5. Excess credits will transfer to Oregon Tech as general elective credit except for developmental course work; these credits will not be used toward the BTM.
6. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
7. Oregon Tech's BTM requires 180 credits.
