

**Mt. Hood Community College
Associate of Applied Science in Computer Information Systems
to
Oregon Institute of Technology
Bachelor of Science in Information Technology**

**Articulation Agreement
2022 - 2023 Catalog**

It is agreed that students transferring with Mt. Hood Community College’s (MHCC) to Oregon Institute of Technology’s (Oregon Tech) Bachelor of Science in Information Technology (BIT) will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both MHCC and Oregon Tech and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated June 20, 2022.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor’s degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Dual Enrollment is possible according to an existing Memorandum of Understanding. Students are responsible for notifying the Oregon Tech Admissions and Registrar’s Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. To utilize this agreement students must be attending MHCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

Additional Oregon Tech Credits ⁶	103

Total Oregon Tech Degree Credits ⁷	182
--	------------

1. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will not be used toward the BIT.
2. To maximize useable credits toward the BIT, the listed course is recommended. Students must complete MTH095 or higher in order to be admitted to Oregon Tech.
3. Does not count toward the 60 upper-division credit requirement.
4. Students can transfer up to six (6) credit hours of Humanities electives into the BIT; these courses should be designated as Humanities electives by Oregon Tech. However, only three (3) humanities credits can be studio/performance based. Choose from the following MHCC prefixes: ART, ENG, HUM, MUP, MUS, PHL, R, TA, or Languages (second year/200-level only).

5. Students can transfer up to one (1) biological or physical sciences with lab course into the BIT. Choose from the following MHCC prefixes: BI, CH, G, GS, or PH. Currently, ESR does **not** count as Lab Science.
6. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
7. Oregon Tech's BIT requires 182 credits.
