

Mt. Hood Community College
Associate of Applied Science in Mental Health - Social Service and Addiction Counseling
to
Oregon Institute of Technology
Bachelor of Science in Applied Psychology

Articulation Agreement
2022 - 2023 Catalog

It is agreed that students transferring with Mt. Hood Community College's (MHCC) Associate of Applied Science in Mental Health - Social Service and Addiction Counseling to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Applied Psychology (BPSY) will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both MHCC and Oregon Tech, and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated June 20, 2022.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Dual Enrollment is possible according to an existing Memorandum of Understanding. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending MHCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

Additional Oregon Tech Credits ⁷	63
Total Oregon Tech Degree Credits ⁸	180

1. To maximize useable credits toward the BPSY, the listed course is recommended. Students must complete MTH095 or higher in order to be admitted to OIT.
2. Students can transfer up to three (3) biological or physical sciences courses with lab into the BPSY. Choose from the following MHCC prefixes: BI, CH, G, GS, or PH. Currently, ESR does **not** count as Lab Science.
3. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will not be used toward the BPSY.
4. Does not count toward the 60 upper-division credit requirement.
5. Students can transfer up to nine (9) credit hours of Humanities electives into the BPSY; these courses should be designated as Humanities electives by Oregon Tech. However, only three (3) humanities credits can be studio/performance based. Choose from the following MHCC prefixes: ART, ENG, HUM, MUP, MUS, PHL, R, TA, or Languages (second year/200-level only).
6. Students can transfer up to twelve (12) credit hours of Social Science electives into the BPSY; these courses should be designated as Social Science elective by Oregon Tech. Choose from the following MHCC prefixes: ANTH, EC, GEOG, HST, PS, PSY, or SOC.
7. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
8. Oregon Tech's BPSY requires 180 credits.
