

Rogue Community College
Associate of Science in Information Technology
to
Oregon Institute of Technology
Bachelor of Science in Information Technology
Articulation Agreement
2025- 2026 Catalog

It is agreed that students transferring with Rogue Community College's (RCC) Associate of Science in Information Technology to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Information Technology (BIT) program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both RCC and Oregon Tech, and is subject to a yearly reevaluation by both schools for continuance. This agreement is November 1st, 2025.

Bachelor degree-seeking students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Bachelor degree-seeking students that transfer to Oregon Tech with 300-400 level transferable courses must complete at least 45 additional credits with Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending RCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

Additional Oregon Tech Credits ⁵	105

Total Oregon Tech Degree Credits ⁶	184
--	------------

1. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will not be used toward the BIT.
2. Students can transfer up to three (3) credit hours of Humanities electives into the BIT; these courses should be designated as Humanities electives by Oregon Tech. However, only three (3) humanities credits can be studio/performance based. Choose from the following RCC prefixes: ART, ENG, HUM, MUS, PHL, REL, TA, or Languages (second year/200-level only).
3. Students can transfer up to one (1) biological or physical sciences with lab course into the BIT. Choose from the following BIT prefixes: BI, CHEM, G, GS, or PH. Currently, ENV does **not** count as Lab Science.
4. Does not count toward the 60 upper-division credit requirement.
5. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
6. Oregon Tech's BIT requires 184 credits.
