Rogue Community College
to
Oregon Institute of Technology
Bachelor of Applied Science in Technology and Management

Articulation Agreement
2025 - 2026 Catalog

It is agreed that students transferring with an Associate of Applied Science (AAS) or Associate of Science (AS) from Rogue Community College (RCC) to Oregon Institute of Technology's (Oregon Tech) Bachelor of Applied Science in Technology and Management (BTM) will be given full credit for up to 60 credits of Career Technical Electives and additional listed courses as completed. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both RCC and Oregon Tech, and is subject to a reevaluation every year by both schools for continuance. This agreement is dated November 1st, 2025.

Bachelor degree-seeking students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree-granting institution. Bachelor degree-seeking students that transfer to Oregon Tech with 300-400 level transferable courses must complete at least 45 additional credits with Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies and procedures of Oregon Tech. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending RCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

The following AAS RCC degree programs are approved for this articulation:

AAS in Emergency Services
AAS in Automotive Technology
AAS in Business
AAS in Business, Management Option
AAS in Business, Marketing Option
AAS in Business, Accounting Option
AAS in Computer Support Technician

RCC Approved AAS or AS to
Oregon Tech's BAS in Technology and Management
2025 - 2026
Page 5 of 5

1. Students can transfer up to six (6) credit hours of Humanities electives into the BTM; these courses should be designated as Humanities electives by Oregon Tech. However, only three (3) humanities credits can be studio/performance based. Choose from the following RCC prefixes: ART, ENG, HUM, MUS, PHL, REL, TA, or Languages (second year/200-level only).

2. The BTM requires four (4) biological or physical science with lab. Choose from the following RCC prefixes: BI, CHEM, G, GS, or PH. ENV will not be accepted.

3. Students can transfer up to four (4) credit hours of Math/Science electives into the BTM; these courses should be designated as Math/Science electives by Oregon Tech. Choose from the following RCC prefixes: BI, CHEM, G, GS, MTH, or PH.

4. To maximize useable credits toward the BTM, the listed course is recommended for the chosen AAS or AS program.

5. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will not be used toward the BTM.

6. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.

7. Oregon Tech's BTM requires 183-184 credits.
