

**Clackamas Community College
Clinical Laboratory Assistant Certificate
to
Oregon Institute of Technology
Bachelor of Science in Medical Laboratory Science**

**Articulation Agreement
2019 - 2020 Catalog**

It is agreed that students transferring with Clackamas Community College's (CCC) Clinical Laboratory Assistant Certificate to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Medical Laboratory Science (BMLS) program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both CCC and Oregon Tech, and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated May 1, 2020.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Admission to Oregon Tech is not guaranteed. Students must apply for admission to Oregon Tech in accordance with the then-existing rules, policies, and procedures of Oregon Tech. Dual Enrollment is possible according to an existing Memorandum of Understanding. Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending CCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

1. To maximize useable credits toward the BMLS, the listed course is recommended.
2. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will not be used toward the BMLS.
3. Does not count toward the 60 upper-division credit requirement.
4. Students can transfer up to nine (9) credit hours of Humanities electives into the BMLS; these courses should be designated as Humanities electives by Oregon Tech. However, only three (3) humanities credits can be studio/performance based. Choose from the following CCC prefixes: ART, ENG, HUM, MUS, PHL, R, TA, or Languages (second year/200-level only).
5. Students can transfer up to twelve (12) credit hours of Social Science electives into the BMLS; these courses should be designated as Social Science elective by Oregon Tech. Choose from the following CCC prefixes: ANT, EC, GEO, HST, PS, PSY, or SOC.
6. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
7. Oregon Tech's BMLS requires at least 178 credits. Some students may complete 181 credits, while MLS Early Admission Track students will complete 183 credits.
