

**Klamath Community College
Associate of Applied Science in
Accounting
to
Oregon Institute of Technology
Bachelor of Science Degree in Business – Accounting Option**

**Articulation Agreement
2017 – 2018 Catalog**

It is agreed that students transferring from Klamath Community College's (KCC) Associate of Applied Science in Accounting program to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Business - Accounting Option program (MGT) will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both KCC and Oregon Tech, and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated November 2, 2017.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. Dual enrollment is possible according to an existing Memorandum of Understanding. In order to utilize this agreement students must be attending KCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

Additional Credits ⁷	91
Total Accumulated Credits ⁸	181

1. Students can transfer up to 6 credit hours of humanities (Arts & Letters) electives into the MGT program; these courses should be designated as humanities electives by Oregon Tech. However, only 3 humanities credits can be studio/performance based. Choose from the following KCC prefixes: ART, ENG, MUS, PHL, or Second-year Foreign Languages.
2. See advisor for appropriate courses.
3. To maximize useable credits toward the Bachelor of Science in Business - Accounting Option degree, the listed courses are recommended.
4. Excess college-level credits will transfer to Oregon Tech as general electives; these credits will **not** be used toward the Bachelor of Science in Business- Accounting Option degree.
5. The MGT program requires one biological or physical science with lab.
6. Does not count toward 60 credit upper-division requirement.
7. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution and 45 credits must be from Oregon Tech.
8. Oregon Tech's Bachelor of Science in Business - Accounting Option requires 181 total credits.
