

Mt. Hood Community College
Associate of Applied Science in Funeral Service Education
to
Oregon Institute of Technology
Bachelor of Applied Science in Technology Management

Articulation Agreement
2017-2018 Catalog

It is agreed that students transferring from Mt. Hood Community College's (MHCC) Associate of Applied Science in Funeral Service Education (FSE) to Oregon Institute of Technology's (Oregon Tech) Bachelor of Applied Science (BAS) in Technology Management program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both Mt. Hood Community College and Oregon Tech and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated January 31, 2019.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300 and 400-level classes at a bachelor's degree-granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be granted.

Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. Dual Enrollment is possible according to an existing Memorandum of Understanding. In order to utilize this agreement, students must be attending MHCC during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

MHCC Degree Courses & Oregon Tech Equivalents

MHCC Course Number and Title	Qtr. Units	OIT Course Number and Title	Qtr. Units
FSE121 Funeral Service Orientation	3	Career Technical electives	60
FSE122 Funeral Service Sociology	3

Additional Oregon Tech Credits ⁶	63
Total Oregon Tech Degree Credits ⁷	180

1. To maximize useable credits toward the TM degree, the listed course is recommended. MTH111 is not required for completion of MHCC's AAS degree but is required before transferring to OIT.
2. The OM program requires one biological or physical science with lab. Choose from following MHCC prefixes: BI, CH, G, GS, or PH.
3. Excess credits will transfer to Oregon Tech as general elective credit with the exception of developmental course work; these credits will not be used toward BAS in Technology Management Degree.
4. Students can transfer up to 6 credit hours of Arts & Letters electives into the Technology Management program. However, only 3 Arts & Letters credits can be studio/performance based. Choose from the following MHCC prefixes: ART, ENG, FA, HUM, MUS, PHL, Second-Year Foreign Languages, or TA.
5. Does not count toward upper-division requirement.
6. Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution.
7. Oregon Tech's BAS in Technology Management requires 180 total credits.
