

**Mt. Hood Community College
Associate of Applied Science in Dental Hygiene
to**

**Oregon Institute of Technology
Bachelor of Science in Dental Hygiene
Degree Completion Program**

**Articulation Agreement
2018 - 2019 Catalog**

It is agreed that students transferring from Mt. Hood Community College (MHCC) with the Associate of Applied Science in Dental Hygiene Degree and successful completion of the National Dental Hygiene Board Examination to Oregon Institute of Technology's (OIT) Bachelor of Science in Dental Hygiene Degree Completion Program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both MHCC and OIT, and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated June 28, 2019.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at OIT must complete 45 credits from OIT before a degree will be awarded.

Students are responsible for notifying the OIT Distance Education Department and the OIT Registrar's Office when operating under this articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending Mt. Hood Community College during the above catalog year. Students must enroll at OIT within three years of this approval.

MHCC Dental Hygiene Prerequisite Courses & OIT Equivalent Credits/Credit Granted

Mt. Hood Community College Course Number & Title	Qtr. Units	Oregon Institute of Technology Course Number & Title	Qtr. Units
BI231 Human Anatomy and Physiology I (recommended)	4	BIO 231 Human Anatomy & Physiology I	4

TOTAL MHCC CREDITS ¹	157	TOTAL OIT DEGREE CREDITS	147

All online courses listed below are required for the Bachelor of Science in Dental Hygiene Degree Completion Program and MUST be taken at OIT.

Oregon Institute of Technology Course Number & Title	Qtr. Units
AHED 450 Instructional Methods	3
BUS 317 Health Care Management	3
DH 401 Overview of Advanced Dental Hygiene	3
DH 453 Current Issues in Dental Hygiene	3
DH 454 Dental Practice Management	3
DH 455 Dental Hygiene Research	3
DH 470 Community Program Planning I	3
MATH 243 Introductory Statistics	4
Communication Elective	3
Elective Approved by Dental Hygiene Department	9
Humanities Elective	6
Social Science Elective	3
Additional OIT Credits ⁴	46
Total Accumulated OIT Degree Credits ⁵	193

1. Excess credits may transfer to OIT as general elective or science elective credit.
2. The Dental Hygiene Degree Completion program requires 6 credits of psychology electives.
3. OIT requires 9 humanities credits. However, only 3 humanities credits can be studio/performance based.
4. In order to be awarded a bachelor degree from OIT, the following must be satisfied:
 - a. Complete a minimum of 45 credits directly from OIT.
 - b. Complete a minimum of 60 credits of upper-division work. Upper-division is defined as 300- and 400- level classes at a bachelor's degree granting institution. You will be awarded some upper-division credit for your successful dental hygiene national board examination.
 - c. Complete 36 credits in math and science or 45 credits in math, science, and social science. These credits are built into the program.
5. OIT's Bachelor of Science in Dental Hygiene Degree Completion Program requires 193 total credits.
