

**Southwestern Oregon Community College**  
**to**  
**Oregon Institute of Technology**  
**Bachelor of Science Degree in Dental Hygiene**  
  
**Articulation Agreement**  
**2018 - 2019 Catalog**

It is agreed that students transferring from Southwestern Oregon Community College (SOCC) to Oregon Institute of Technology's (Oregon Tech) Bachelor of Science in Dental Hygiene program will be given full credit for all selected courses listed below. This agreement is based on the evaluation of the rigor and content of the general education and technical courses at both SOCC and Oregon Tech, and is subject to a yearly reevaluation by both schools for continuance. This agreement is dated November 13, 2018.

The Oregon Tech Dental Hygiene program is a 1+3 program. Full time students should be able to complete required prerequisites in one year of study.

Baccalaureate students must complete a minimum of 60 credits of upper-division work before a degree will be awarded. Upper-division is defined as 300-and 400-level classes at a bachelor's degree granting institution. Baccalaureate students at Oregon Tech must complete 45 credits from Oregon Tech before a degree will be awarded.

Students are responsible for notifying the Oregon Tech Admissions and Registrar's Office when operating under an articulation agreement to ensure their credits transfer as outlined in this agreement. In order to utilize this agreement students must be attending Southwestern Oregon Community College during the above catalog year. Students must enroll at Oregon Tech within three years of this approval.

## Pre-Dental Hygiene Courses

| Southwestern Oregon<br>Community College<br>Course Number & Title | Qtr.<br>Unit<br>s | Oregon Institute of Technology<br>Course Number & Title | Qtr.<br>Units |
