

V4/V5 - 2020–2021 Verification Worksheet

Independent Student

Your 2020–2021 Free Application for Federal Student Aid (FAFSA) was selected for a review process. Certain applications are flagged by the federal processor due to federal edit. Due to this selection, the law says we must ask the student to confirm and provide information input on the FAFSA before awarding Federal Student Aid. To verify that you provided correct information a financial aid administrator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and required documents to the financial aid office at your school. **Your school may ask for additional information.**
