

Oregon TECH

Resource Budget Commission

Fall 2012 Awards

School of Engineering, Technology & Management

Civil Engineering - Pair of Hand Auger Sets for Field Testing	\$2,881.76
Computer Systems & Embedded Systems Engineering Technology - Test Equipment to be shared in many CSET Labs	\$11,215.00
Computer Systems Engineering Technology - Distance Delivery between Purvine Hall and Wilsonville Campus	\$9,843.14
Computer Systems Engineering Technology - Upgrade Computer Systems in PV-120	\$22,626.00
Electrical Engineering & Renewable Energy Engineering - Improve Student Understanding, Class Interactivity, & Teaching Effectiveness	\$1,054.76
Electrical Engineering & Renewable Energy Engineering - Memory Upgrade for Lab Computers	\$1,920.00
Electrical Engineering & Renewable Energy Engineering - Microcontroller Lab Equipment	\$1,720.00
Electrical Engineering & Renewable Energy Engineering - Replace General Lab Test Equipment in PV 248 & 251 Labs	\$20,015.00
Electrical Engineering & Renewable Energy Engineering - Update General Purpose Electronic Lab Equipment in PV 237 & 241 Labs	\$24,080.00
Geomatics - Replacement of Instructor Station in GIS Lab	\$645.64
Geomatics - Replacement Reflectors for Survey Equipment Room	\$2,436.55
Geomatics - Student Instruction in GIS Data Collection	\$5,525.00
Management - Computer Lab Equipment	\$1,989.43
Management - IT Lab Expansion	\$6,304.41
Manufacturing, Mechanical, Engineering & Technology - Formula SAE Project	\$17,339.89
Manufacturing, Mechanical, Engineering & Technology - Lab-Volt Electromechanical Systems Simulation Software (LVSIM-EMS)	\$5,720.00
Manufacturing, Mechanical, Engineering & Technology - Laser Doppler Velocimeter	\$10,000.00
Manufacturing, Mechanical, Engineering & Technology - Necessary Tools for CO 117 (composites lab)	\$2,562.00
Wilsonville Electrical Engineering & Renewable Energy Engineering - Circuits Lab Equipment	\$6,039.06
Wilsonville Electrical Engineering & Renewable Energy Engineering - Electronics Lab Equipment	\$11,182.29
Wilsonville Electrical Engineering & Renewable Energy Engineering - Equipment for Power Electronics Lab	\$2,990.25
Wilsonville Electrical Engineering & Renewable Energy Engineering - Improvements to Optoelectronics Lab	\$1,124.00
Total ETM	\$169,214.18

School of Health, Arts & Sciences

Natural Sciences - 20 Dell Inspiron 17R Laptop Computers	\$11,999.80
Natural Sciences - 6 SOMSO Arm Models and 6 SOMSO Leg Models	\$16,765.00
Natural Sciences - FlowTracker Acoustic Doppler Streamflow Meter	\$5,237.00
Natural Sciences - Modernize/Enhance Capabilities of Physics & Chemistry Labs	\$4,576.00
Natural Sciences - Teaching Potentiostats for Renewable Energy Applications	\$5,826.45
Respiratory Care - Improve Student's Initial Performance on National Examinations	\$13,245.00
Wilsonville Paramedic - Student Skills Training	\$3,247.20
Total HAS	\$60,896.45

Other Departments

ITS - Annual Funding	\$94,000.00
Risk Management - Install Automatic External Defibrillators for Life-Saving Support	\$4,087.00
Student Affairs - Student planners	\$3,516.48
Wilsonville Campus - Create Community Space to Support Student Retention at Wilsonville	\$6,085.89
Wilsonville Campus - Increase Number of Shared Computer Labs at Wilsonville	\$21,000.00
Wilsonville Campus - Introduce New General Education Class at Wilsonville	\$16,200.00
Total Other Departments	\$144,889.37

Total Awarded \$375,000.00
