Nomination is only considered for that specific award and not for others; however, you may nominate a student for more than one award with a separate nomination letter. Include a paragraph or sentence explaining how you know the person you are writing about and the nature of your relationship with them. Also include an evaluation of the student's skills and accomplishments.

It is highly encouraged by the Student Awards Commission that the student seeks at least one recommendation letter (no more than 5) from a student, staff, faculty, friend or community member. The letter should express their support for the student award nomination with a few points from the award criteria.
